

Jellyfish Year 3

Maths

We will continue learning about addition and subtraction and move onto improving our recall of the 2, 5 and 10 times tables. We will then learn our 3, 4 and 8 times tables.

Topic Web

English - Reading

The Iron Man by Ted Hughes will be our main text over the next few weeks. We will focus on our retrieval, sequencing and inference skills.

Autumn 2 2021

English - Writing

This term we will explore the texts How to Wash a Woolly Mammoth to learn how to write instructions; and Stone Age Boy to influence our own narratives.

Computing

We will further explore how an internet browser works, using it to create information tables using a word processor.

History

Changes in Britain from the Stone Age to Iron Age will be our focus this term.

RE

What is it like for someone to follow God? We will consider our answers to this question by exploring the story of Noah and making promises.

Art

We will explore colour through mixing and work on our portrait drawing skills.

PSHE

We will be celebrating difference; focusing on acceptance, inclusion and kindness

Music

Through African music we will learn how to create music using Djembe drums.

MFL - French

Numbers to 6, following instructions and using 'oui' and 'non' will be a few of our focusses.

Science

Rocks, fossils and soils will be investigated this term.

PE

Through dance we will explore rhythm, supporting our peers and how to create our own routines.
