

## Oysters Year 1

### Maths

- Addition and Subtraction
- Shape
- Place Value (to 20)

## Topic Web

### English - Reading

We will continue with *Read, Write, Inc* phonics sessions and begin to use our new decodable reading books!

## Autumn 2 2021

### English - Writing

We will be linking to our *Read, Write, Inc* scheme by focusing on letter formation and building accurate sentences.

### Computing

We will be learning how to create a sequence of instructions for a firework and music display!  
And learning how to use the Natural Art program to make a picture.

### History

We will be exploring the term 'History' and finding out all about The Gunpowder Plot!

### RE

Who do Christians say made the World?

### Art

We will be exploring clay and learning how to make a pot

### PSHE

We will be celebrating difference; focusing on inclusion, kind words and problem-solving.

### Music

How does music tell stories about the past?  
We will be exploring rhythm and pitch.

### MFL

Greetings, songs and rhymes

### Science

- Animals (including humans)
- Parts of the body

### PE

- Dynamic Balance - Jumping and Landing
  - Static Balance - Seated
- Our focus this term will be social skills.
