

Sport Premium Funding Action Plan 2017/18

Landkey Primary, like all primary schools, receives Sports Premium Funding from the government. The funding should be used to improve the quality and breadth of PE and sport provision. The amount of funding is based on a lump sum plus extra per child on roll.

In the academic year 2017-18 we will receive £17,750.

How we will measure the impact of the funding?

- With the new P.E curriculum we will increase the level of progress of all children in PE and review in 1 year's time to give new and existing staff a chance to use the program.
- Continue to offer non – traditional clubs to improve the number of children attending sports clubs by using outside sports coaches as well as teachers and T.As. Continue to keep a running record of who attends clubs and target those children who do not usually join any: change for life/keep fit.
- 100% of children to attend inter/intra school events/competitions each term. Including mini sports events within school run by sports leaders.
- Continue to make available as many events, festivals and competitions, to the children who enjoy and want to enter.
- Send out a questionnaire to see the impact sport is having on the children.
