

## Sport Premium Funding Action Plan 2019/20

Landkey Community Primary Academy, like all primary schools, receives Sports Premium Funding from the government. The funding should be used to improve the quality and breadth of PE and sport provision. The amount of funding is based on a lump sum plus extra per child on roll.

In the academic year 2019-20 we will receive £17,670 (approximation based on 2018/19)

### How we will measure the impact of the funding?

- Real PE curriculum has been running for 2 years, all staff have gained confidence using the programme and the progress the children has made has increased. PE assessments each half term will continue to measure the progress and a staff questionnaire will indicate any areas needed for CPD.
- Dance is an area of the curriculum where there is not a new/modern scheme to follow, teachers can feel less confident teaching this area, CPD for Years 3 and 5 will be provided.
- Continue to offer non – traditional clubs to improve the number of children attending sports clubs by using outside sports coaches as well as teachers and T.As. Continue to keep a running record of who attends clubs and target those children who do not usually join any. Use 2018-19 data to target children who did not attend clubs and investigate for the reasons why.

- 100% of children to attend inter/intra school events/competitions each term. Including mini sports events within school run by sports leaders.
- Continue to make available as many events, festivals and competitions, to the children who enjoy and want to enter.
- Ensure all children leave year 6 being able to swim the Devon expectation of at least 100metres.
- Do children know the importance of a healthy mind and body? This will be explored through focus weeks and weekly assemblies.
